### Zoo Trip

Year 1 had a wonderful day at Chester Zoo on Friday. The weather was perfect for a day at the zoo and the animals were easy to spot as they were snoozing in the sun. We had a great workshop with children using their sense to explore investigation tables about different life processes. We explored many different items including elephant molars, snake eggs, peacock feathers and giraffe poo! It was a wonderful learning experience for all our year 1 children. Thank you to our parent helpers for coming on the trip with us.

### Red Nose Day

Thank you for all the sponsor money for the Red Nose Day Sponsored Sing. All singing will be completed by the end of the day today as some of the classes were at a trip on Friday. We will be counting and sending the money on the last day of term so please send any remaining money in by Friday 31st March.

Craft activity will be available for children to take part in, small donation of 50p per child. Friends are asking for donations of cakes/biscuits bought or baked. Please list ingredients on all home baked items.

### Scholastic Success

Well done to everyone involved in the Scholastic Book Fair. It was a great success with over £600 being spent which means the school will be rewarded with 50% for books for the school. Thank you to all involved.

### Museum of Liverpool

On Friday year 2 visited The museum of Liverpool where they enjoyed learning about old toys. The Toys workshop began with considering favourite toys and introducing chronology through investigating the Toys Timeline in the History Detectives gallery. Differences in materials, design and technology were explored and how these provided clues about their age. Moving toys were then positioned on a mini timeline. A very interesting trip to enhance their Learning Challenge topic.
